

FRANKFORT CELEBRATES 100th ANNIVERSARY

Mokena Is Ready For
Annual Homecoming

The committees in charge of the various phases of Mokena's annual homecoming celebration are making a last minute rush to complete the arrangements.

And there isn't too much time left. Mokena's homecoming is to be held next week, beginning Friday, Aug. 19 and continuing thru Sunday, Aug. 21.

Many former residents of the village will be back for the event, some of them traveling considerable distances. Many persons who return to visit relatives each year usually time their coming to coincide with the homecoming dates so they have an opportunity to meet other old friends who follow the same custom.

Homecoming is sponsored jointly by the Mokena Civic Association and Lions club, and the proceeds will be divided among those organizations and the Mokena park board - with the major portion going to the latter - to enable them to carry on their welfare and community programs.

Committee Heads

Norval Robinson, representing the Lions, and Stanley Williams, representing the Civic Association, are co-chairmen of the general committee. Harley Mann is chairman of the ticket committee. Mrs. Kenneth Sherwood is head of the committee in charge of games and H. J. Wrath will be master of ceremonies.

There will be various carnival attractions along Front street, of course, and there also will be booths for games and refreshments and exhibits by the business people and organizations of the community will be displayed under canvas.

The highlight of the program will be the parade on Sunday afternoon which will have many floats and bands and various organizations will be represented in the marching units.

One of the features of the Homecoming this year will be that Sunday, Aug. 21 has been designated as Elizabeth Cappel day in honor of the principal of the Mokena public school. A special story on Mrs. Cappel's career, written by Marcella Lehmann, will appear in the Homecoming edition next week.

Former pupils of Mrs. Cappel are asked to sign their names at the Registration booth on Aug. 21. The register signed will be presented to Mrs. Cappel as a remembrance of the day.

Quiz Ends

In recent weeks a quiz has been conducted in conjunction with the homecoming. Each of the questions asked had some connection with Mokena's early history. Last week, for instance, the question was what does the word "mokena" mean in the Algonquin Indian language and the answer which was speedily given by Sandy Westman, of Bryant st., was the correct one.

The answers must be called in to Mrs. Lehmann whose telephone number is 4561, and the first one to call with the right one is given a dollar.

The question for this week is the last one, and the answer won't be found in "Mokena Memorabilia," from where the others were forthcoming. Now that source, according to Mrs. Lehmann, says the Mokena State bank had deposits of \$238,000 in 1929 and deposits of \$1,088,000 in 1945.

The question this week is what were the total deposits in the Mokena State bank in 1954.

A timetable of events for the Homecoming will be published in next week's paper.

St. Jude's Annual
Picnic is Success

St. Jude's annual picnic and carnival at the church grounds in New Lenox was acclaimed a success by those in charge.

More than a thousand dinners were served by the women of the parish and a new attraction added this year - a white elephant sale - was said to be quite successful.

Award winners were announced as follows:

Terry Weber, New Lenox, an air conditioner; F. J. Kir, Joliet, an aluminum boat; Clarence Scheer, New Lenox, a sewing machine; William Yeoman, New Lenox, a power saw; Margaret Kanne, New Lenox, metal glider and chairs; Edward Doyle, New Lenox, electric shaver; Helen Hryndza, Chicago, a mixer; Monroe Hatchery, Joliet, a golf cart; Mrs. James Battle, New Lenox, hair drier; and Cass Manheim, New Lenox, an outdoor grill.

Mokena Board
Adopts Budget;
Tax Levy Same

At a meeting of the Mokena village board last week the annual appropriation ordinance was adopted for the fiscal year beginning July 1st, 1955 and ending June 30, 1956.

This ordinance, which is published elsewhere in this paper, calls for a total of \$16,145 of which \$3,625 is to be raised by means of taxation and the remainder - \$12,520 - from other sources.

While the total is larger than last year the amount to be raised by taxation is the same. Last year's appropriation ordinance called out a possible outlay of \$14,745 or \$1,400 less than for the current year. Most of this difference is accounted for in the two items concerning street maintenance - labor and material.

In the 1954-55 ordinance \$750 was appropriated for labor for street repairs and \$1,500 for material. This year the amount set up for labor for this purpose is \$1,066 while material is estimated at \$2,133.

Talk About Sales Tax

The president or mayor of the village is paid \$7.50 for attending a meeting while the compensation fixed for the trustees is \$5 a meeting. Under a new law the trustees could have fixed their compensation at \$10 a day.

There was some talk about a village sales tax but no action was taken. It was said that if Mokena adopted a sales tax it would bring in sufficient revenue to hire a full time maintenance man and a full time police officer.

Some cities and villages to the east, including Tinley Park, have adopted a sales tax under which they levy one-half of one per cent on the gross retail sales within their corporate limits.

The state collects the tax for the cities and villages along with its own sales tax, at a charge, of course, which amounts to 6 percent.

It is understood that no decision on the question has been reached by Mokena authorities. It was said that they may wait to see what action may be taken by nearby communities that constitute rival trade areas.

With cities getting half a cent the total sales tax becomes three per cent.

Homer Youth, Shot
In Leg, Would
Welcome Cars

10-year-old Gordon Astrom of Homer township, who suffered an accidental gunshot fracture above the ankle, is under treatment at Silver Cross hospital where he will be confined about six weeks. Gordon would be happy, he said, to receive cards from his friends.

He is the son of Mr. and Mrs. Bror Astrom, who reside on 143rd st. in Homer.

Gordon was shot last week while he and two playmates were walking across the abandoned Wayside golf course near 143rd and Parker road. The bullet apparently was fired by someone in a ravine which the boys were passing.

When the bullet struck Gordon he fell and quickly discovered that he was unable to walk. His companions ran to the Astrom home for help. Gordon's parents drove to the scene and rushed the boy to Silver Cross. There it was found that the bones just above the ankle were shattered by the bullet which passed on thru the leg.

Sheriff's deputies searched the area but were unable to find any trace of the person who did the shooting.

60 Attend Batson
Family Reunion

The annual Batson family reunion was held last Sunday, Aug. 7 at Van Horn's Woods, with 60 members present.

Following a picnic dinner the remainder of the day was spent in playing games.

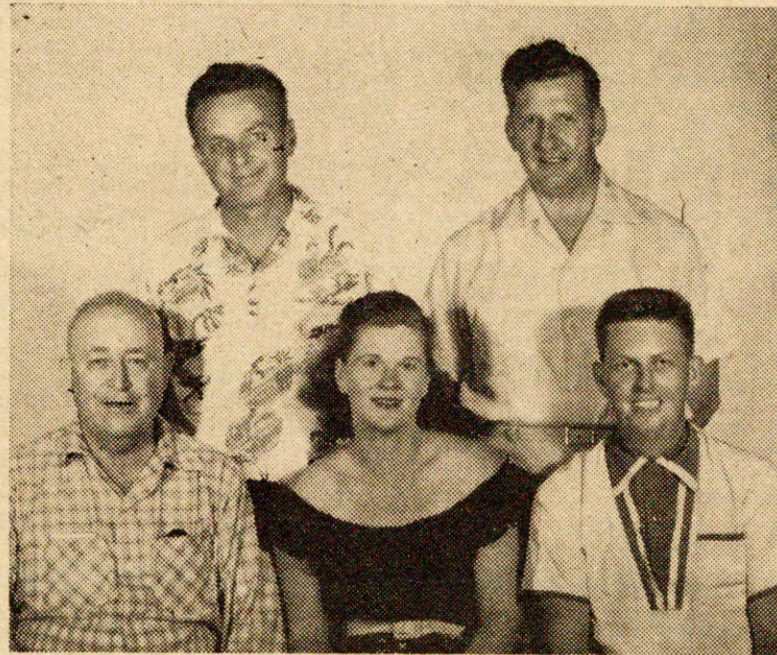

The youngest member of the family present was 6-month-old Wesley Brown, Jr., while the oldest was 89-year-old S. W. Batson.

Next year Mrs. William Drake and Mrs. Robert Drake will have charge of arrangements for the affair.

Representatives of the Batson family were present from Joliet, Lockport, Frankfort, Plainfield, Manhattan, Tinley Park, New Lenox and Downers Grove.

Today's longer life expectancy calls for more social security insurance, pensions, annuities, and U. S. Savings Bonds.

In Charge of Homecoming

On these committee chairmen rest the burden of keeping the machinery in operation for the 16th annual Mokena Homecoming. Standing are the two general co-chairmen, (left) Norval Robinson and Stanley Williams. Seated (left to right) are Harley Mann, in charge of tickets, Mrs. Kenneth Sherwood, games, and H. J. Wrath.

Bettenhausen
Tells of Race

Auto race driving is work-hard work, that requires brawn and stamina as well as brains and skill. It is also packed with thrills, is never boring and Tony Bettenhausen loves it.

The Tinley Park automobile dealer who finished second, close up, in the 500-mile Memorial Day classic this year, has been racing many years - dirt track, road races, midgets and the Big One - the 500 mile at Indianapolis. Last Thursday night he was the guest speaker at the regular monthly dinner meeting of the Mokena Lions club which was held at the Lincolnwood Drive Inn.

The official film of the 1955 Memorial Day classic also was shown and it was just as interesting - more so in a way - to Tony as it was to the capacity dinner crowd. It was the first time Tony had seen the picture and when he left he took it with him for a re-run at his home in Tinley.

The film showed the fatal jam up in which Bill Vukovich was killed in swerving out to avoid crashing into two other cars that were in trouble. Bettenhausen himself was just seconds away when the crash occurred. Immediately a flag was hoisted and feet that had been holding fuel pedals to the floor were snatched away and the speed that had been 130 to 140 miles per hour began dropping because that flag meant for drivers to get down to 80 miles an hour and keep it there or lower until signalled to resume speed.

Obedy Flags

Someone wanted to know what would have happened if drivers had disregarded the flag. The way Tony explained it such drivers might just as well have packed up and gone home unless they had a side bet going on who would finish last. They would have been flagged into the pits, Tony explained, and while not disqualified, they would have been given lengthy lectures of many minutes duration. And to lose many minutes in a race of this kind means loss of chance to finish in the money, and there is a lot of money. So the drivers read the flags and obey them.

Tony had been in eight previous Memorial Day races at Indianapolis but never before did he have a car that was able to stand up under the gruelling grind. The greatest handicap a driver faces, Tony said, was heat fatigue.

He disputes a recent claim that automobile racing does not benefit the driving public. Just (Continued on page 6)

Believe Burglars
At New Lenox
Were Teenagers

The home of George Rummel, Willow and Vine streets, New Lenox, was burglarized over the week end, according to the report at the sheriff's office. Approximately \$20 was taken from a piggy bank and a coffee can yielded about \$15 in pennies.

The burglary occurred while the family was visiting in Wisconsin, and was discovered when they returned Sunday night.

Deputies Paul Lukanich and John Shelly found that entry had been gained by removing a screen and breaking a window. They believe it was the work of teenagers.

Zoning Board To
Pass on Grocery
For Sunny Acres

There is to be a meeting of the Will county zoning board of appeals at the Cooper and Hostert garage in Mokena next Thursday night, Aug. 18, at which time a petition is to be heard on re-classifying property at 193rd st. and Wolf road, from residential to B-1.

There had been talk of locating a liquor store or tavern there, along with a grocery, but a B-1 classification does not permit either a liquor store or a tavern, it was explained by Elmer Cooper, chairman of the zoning board.

The petitioner who would erect a grocery store on the location is Valentine E. Spreitzer.

Last week it was erroneously reported that no objections had been made to a request for location of a liquor store at the site. No request was made of the county zoning board for permission to locate a package store at 193rd and Wolf rd. The only request was for change to B-1. B-1 classification does not permit the operation of a tavern or liquor store.

PARK BOARD
MAKES RULES

At a meeting of the Mokena park board held this week in the village hall rules were adopted that will be in force at Community park.

There are five rules and are as follows:

1. Park only in designated areas.
2. Keep your park clean; place all trash in the refuse bins designed for that purpose.
3. Preserve your park; do not damage or deface trees, shrubs, flowers or equipment.
4. Build fires only in fireplaces.
5. Observe all fire prevention rules; be sure that fires, matches, cigaret, cigars or pipe dottle are out when you leave.

The play day program scheduled for last Saturday was disrupted by the rain and will be Tuesday, Aug. 16, with the younger children turning out for the morning festivities between 10 o'clock and noon and the older youngsters in the afternoon between 2 and 4 o'clock. Herbert J. Wrath will be in charge.

Flies carrying details of the park program were distributed thru the village by newsmen.

The Mokena Methodist church has made reservations with the board for use of the park and equipment for a picnic Sept. 11. The board prefers to have large organizations clear with them on picnic dates to avoid conflicts.

The next meeting of the board will be held Sept. 12. Present at the meeting this week were Charles Swanberg, Harley Mann, Henry Clark, Mr. and Mrs. Arthur Shoop and Mrs. George Bills.

BAKE SALE

The Women's Society of Christian Service of the Mokena Methodist church will conduct a bake sale this Saturday, Aug. 13 at 2 o'clock in the Cooper and Hostert's garage, Front street, Mokena. Many nice offerings of home baked goods will be for sale. Everyone is invited.

About 75,000 children are legally adopted in the U. S. each year.

Carnival Spirit Sparks Program
As Village Observes CentennialLightning Hits
Three Homes

Lightning struck three homes in the Homer and Orland Park area last week end, causing two fires.

Friday night a bolt struck at the home of William Halverson, on Cedar road, near 143rd st., and started a fire that caused considerable damage to the interior before firemen could reach the scene.

The Homer, Lockport and Lemont fire department answered the call. Homer was first to arrive and had the blaze under control before the others reached the spot.

Most of the damage was confined to the living room and bathroom. The family is endeavoring to find a place in which to stay until repairs can be made.

During the same storm lightning hit at the Willard Rowley residence in Homer township, blowing out several fuses and putting all the electrical equipment out of use but there was no fire.

About 2:30 Saturday afternoon lightning struck a transformer near the John Arnold home on 143rd st. near Raney's Lane in Orland Park. The bolt followed the wires into the home.

The Arnold family was away and there was no one in the home at the time but a neighbor, Frank Buck, who lives across the street, saw the bolt strike and then a flicker of flame inside the house. He called the Orland fire department and a crew was at the scene in a few minutes.

Firemen gained entry thru a window and quickly extinguished the blaze. The fire was in a wall and firemen made an excellent stop, knocking the blaze before it could spread.

Hold Last Rites
For Frank Konicek;
Native of Homer

Funeral services for Frank Konicek, formerly of Homer township who died Aug. 2, were held last Saturday morning at St. Joseph's church in Lockport. Burial was in St. John's cemetery, Carey, Ill.

Mr. Konicek died in University hospital at Baltimore.

He was a son of the late Mr. and Mrs. Frank Konicek of Homer and after attending Homer and Lockport schools was graduated from Armour Tech. in 1911. He went to Baltimore in 1929 where he was assistant superintendent of the Western Electric Co., until his retirement in 1953.

Besides his wife, Frances, Mr. Konicek is survived by two daughters, one son and six grandchildren, all of whom reside in the east, and two brothers and a sister, Peter, of Homer and John of Lemont, and Mrs. Kate Woszchick, of Chicago.

Samuel Lorenz, 17,
Nephew of Frankfort
Residents, Drowns

Mr. and Mrs. Arthur Mark received word of the accidental death by drowning of their nephew, Samuel Lorenz, 17 years old. He is the son of Mr. and Mrs. Sam Lorenz, Sr., of La Crosse, Wis.

The funeral was held Tuesday at La Crosse. Mrs. Arthur Mark, Arthur Mark, Jr. and Mrs. Amanda Mark of Frankfort attended the funeral.

Mokena Cattle
Raisers To Show
At Kankakee Fair

Leo Marcoux of Mokena entered his two-year old Hereford bull in the Kankakee fair, and is hopeful of its placing. It is reported to be a fine animal.

The Marcoux daughter, Eugenia, who received second prize for her registered two-year old Hereford heifer, at the 4H fair at the Joliet Pageant of Progress, also is showing the animal at Kankakee and may take her to the state fair. Eugenia, who is 13 years old, has been a 4H member one year.

Linda Matasovich of Mokena, 13 years old and who won first prize at the 4H fair in Joliet last week, is showing her prize winning Hereford heifer at the state fair in Springfield this coming week. She also may consider showing it at the International show in Chicago.

Name Queen For
Centennial

Diane Hochberger was proclaimed queen of the Frankfort centennial at the Queen's ball held Wednesday evening.

Her court of honor is composed of the following six runners-up: Janice Johnson, Eno-gene Anderson, Janet Folkers, Eynone Hossbach, Pat Heiser and Mary Mark.

The other candidates finished in the following order: Irene Wischover, Inez Reiter, Mary Ann Heiser, Carol Larson, Viola Mueller, Wilma Schuldt, Betty Lou Brey-meyer and Arlene Gudgeon.

No announcement of the number of votes cast in the queen contest were given out by the committee during nor at the conclusion of the competition.

Scholar

Another Mokena girl who won a scholarship is Charlotte Gilmore, daughter of Mr. and Mrs. Robert Gilmore. She was

given a four year scholarship from the Joliet Township High school and plans to attend teachers college at DeKalb this fall.

During the past two weeks Charlotte has been a junior counsellor at the Girl Scout camp at Morris.

Mokena Pupils
To Get Books At
Stores This Year

There will be a sale of second hand books at the Mokena public school from 9 to 10 a.m. Sept. 2, it is announced by Mrs. Elizabeth Cappel, principal. But the new books will not be handled thru the school this year as in former years.

Formerly work books were obtained at the school. The parents paid for them but did not have to go to a store.

In obtaining books for school this year purchasers are advised to follow the county lists which are available at the Morgan book store, 13 E. Clinton St., Joliet.

Masons To Hold
Annual Picnic

The annual picnic for Master Masons and their families, sponsored by the two blue lodges of Joliet, Matteson and Mt. Joliet, will be held Saturday afternoon, Aug. 13 at Dellwood Park at Lockport.

The affair is to be begin at 1 o'clock and all Masons in the area are invited. (Those attending are to bring their own food but coffee, pop and ice cream will be free. There will be games for youngsters and adults and the Troubadours will entertain.)

The picnic was to have been held last Saturday but was rained out.

Set Dates For
Bus Inspections

Annual inspection of school buses in Will county will begin Aug. 17, and the place of inspection is at the Johnston garage at southwest corner of S. Eastern ave. and Washington st., Joliet.

Lincoln-Way high school's six buses are to be inspected Aug. 19. The inspection of St. Jude's bus, from New Lenox, is to be held Aug. 30.

Beecher unit and the Crete-Monee unit district will have their buses inspected at either of two garages in Chicago Heights.

Celebration of Frankfort's centennial is under way.

It began last night with a ball in the Frankfort school gymnasium at which Diane Hochberger was proclaimed as queen, and it will close Sunday night with the final performance of the mammoth pageant, "Frankfort Through the Years."

In the time intervening there will be a tea and fashion show - at which the styles of bygone days will predominate; the award of prizes to "Brothers of the Brush" and "Sisters of the Swish," parades, speeches, a union church service and many other features, including, of course, standard carnival attractions.

The celebration will be centered around the school grounds and the baseball diamond.

The high point of the centennial will be the huge, colorful historical parade that is to be held Sunday afternoon.

Big Parade

Approximately 150 entries have registered for the parade, which is to move off promptly at 2 o'clock. There will be floats of all kinds, decorated cars, covered wagons, oxen, horses and eight bands which will furnish the music and add to the stir and excitement of the occasion. Prizes are to be awarded.

A childrens and pet parade is scheduled for 2 o'clock Saturday afternoon, preceding the main parade at the carnival. Many prizes will be awarded to the various entries selected as winners in the pet parade, including four parakeets.

The Frankfort Methodist and St. Peter's Evangelical and Reformed churches will serve dinners on Sunday between 4 and 7 p.m.

At the Methodist church dinners will have an opportunity to look over some of the early records of the congregation. The Frankfort Methodist church was first part of the Hickory Creek circuit which was made up of at least six congregations - the others being Mokena, Francis Grove, Skunk Grove, Mt. Hope and Bethel. The records on display list the names of early members. The first church site was purchased in Frankfort in 1855 and the building of the Methodist church there was begun in 1856 and completed in 1857.

The centennial queen's ball began at 9 o'clock last night and lasted until 12:30, and was an event that was awaited with eagerness by hundreds of persons who have been on needles and pins for days to learn the identity of the queen and her court of honor.

Dirksen to Speak

The queen's crowning will take place tonight at 8:15 on the pageant field - the baseball diamond - with State Senator Lottie Holman O'Neill officiating at the ceremony.

And at 8:30 will be the first performance of the pageant, "Frankfort Thru the Years." The pageant cast, which is made-up of almost 300 persons, men, women and children, has been working hard for weeks under the direction of Phillip R. Frable (Continued on page 6)

Just To Keep
Records Straight

Mrs. Margaret Semmler, editor and publisher of The Semmler Newspapers, was among the first voluntary ad subscribers for the historical booklet brought out in connection with the Frankfort centennial, but according to Burton Breidert, chairman of the committee in charge, The Semmler Newspapers ad, along with several others, were inadvertently left out. This explanation is given just to keep the record straight.

Cooper - Hostert
Gets Citation
For Sales Record

Cooper and Hostert, the Ford dealership located at Mokena, has been presented a special leadership citation by Henry Ford, II, President of Ford Motor company.

The local dealership won the citation, because more Ford cars were sold in 1954 than any other make in the dealer's area of primary sales responsibility. High standards of customer service also contributed to their winning this award.

Cooper and Hostert is one of approximately 3,000 Ford dealers to receive this citation from Henry Ford, II. On a national scale, retail sales of Ford cars in 1954 exceeded those of any other make by 25,257 units.

The Statue of Liberty was unveiled on Oct. 24, 1886.

CHRISTIAN SCIENCE CHURCHES

God's inexhaustible goodness and abundance will be brought out in the Lesson-Sermon entitled "Soul" which will be read in Christian Science churches on Sunday, August 14.

Bible passages will include the admonition of Christ Jesus with regard to man's sustenance: "And seek not ye what ye shall eat, or what ye shall drink, neither be ye of doubtful mind. For all these things do the nations of the world seek after: and your Father knoweth that ye have need of these things. But rather seek ye the kingdom of God; and all these things shall

be added unto you" (Luke 12:29-31).

Also emphasizing the importance of looking to Soul, God, rather than to mammon for happiness, a correlative passage to be read from "Science and Health with key to the Scriptures" by Mary Baker Eddy states (60:29-31): "Soul has infinite resources with which to bless mankind, and happiness would be more readily attained and would be more secure in our keeping, if sought in Soul."

TINLEY PARK BRIEFS

The Arthur Blue family will be moving to their new home at 8266 east 37th st. Lazy Circle acres, Tulsa, Okla. next Tuesday. Mr. and Mrs. R. C. Hill and family of N. Dakota will be the new residents in the Blue home. Mr. Hill is with the National Safety Council in Chicago.

Week end house guest of the Frank Olsen family of South st., were Mr. and Mrs. William Klitte of Salem, Wis. Also recent guests were their son David and family of Chicago.

Mrs. Lucille Butler, 6811 Hickory st., returned from a trip to West Beach, Long Island. While there she had the privilege of visiting her sister, Mrs. Carmel Acheson who has been living in Northern Rhodesia, Africa.

The Martin Matuszewicz family, the A. Leff and W. Shannon families of Chicago spent a recent afternoon at Cermak pool in Chicago.

Mrs. Freida Engel of 167th st., flew to Hamburg, Germany the last week in July to visit relatives and friends. When she returns in September she will bring her 18 year old niece here to live with her.

Tinley Park

Divide W.S.C.S. Into Circles At Tinley Church

The reorganization of the W.S.C.S. of the Tinley Park Methodist church into circles, as prescribed by the woman's division of the Methodist church has been ably done by promotion secretary Mrs. Harry Schmidt.

This fall will find the society divided into five circles, three of which will meet on the 2nd Tuesday evening of each month. These are the Miriam circle with Mrs. Robert Rich, chairman; the Martha circle, Mrs. James Marshall chairman, and the Ruth circle, Mrs. Jesse Nugent, chairman.

The Esther circle, under the leadership of Mrs. Wm. Schell-hase, will meet the second Thursday evening in the church chapel. This group is composed of working women, or those who cannot attend an afternoon group or a Tuesday evening meeting. The Dorcas circle, with Mrs. Nicholas Schulten as chair man, will continue to meet in the church parlors every second Wednesday afternoon of the month. All ladies of the church are cordially invited to attend any of these meetings.

Executive Board Meets

The executive board of the W.S.C.S. met Monday afternoon to complete plans for the coming year. Mrs. Albert Felton, finance chairman, outlined a tentative budget, which was accepted by the board to be approved by the general meeting of the society on Sept. 6.

Standing committee chairmen were appointed by Mrs. Harold Zobac as follows:

Mrs. Walter Fierke, program; Mrs. Albert Felton, finance; Mrs. Harry Schmidt, membership; Mrs. Edward Hite, publicity.

Ways and means of raising funds through dinners and the popular school lunches as well as other activities were discussed.

Tinley Garden Club Is Planning Outing

The Tinley Park Garden club are planning an outing for Thursday, Aug. 18 to the new summer home of Mr. and Mrs. Henry Ruff of Blue Island, near LaPorte, Indiana. Ava Funk is in charge of arrangements assisted by Florence Feil.

Boo-vig Day is Ride Dow For Vigdums ob -Achoo!- Hay Veeber

There are two approaches to making a hay fever sufferer happy. One is taking one of hundreds of preventive chemical preparations offered by the medical profession.

The other is moving temporarily from the midwest empire of Illinois and Indiana to one of 447 spots in the United States and Canada where the sufferer will obtain relief.

Moving day is right now. The worst season for hay fever starts in early August and runs through September.

The locations of each of the spots where the sufferer can reasonably expect relief have been obtained from the pollen survey committee of the American Academy of Allergy by the Chicago Motor club's touring bureau. O. C. Durham, of Chicago, secretary of the academy, also is chairman of the survey committee which made the North American survey.

Provides Pollen Index

Also Durham was the originator of a service providing the pollen index each year to doctors. Since, this information has been picked up by the press and radio. Many offer the daily pollen percentage count each day, usually along with the weather news.

The Chicago Motor club says this percentage count should not be confused with the pollen index figure which rates every community. The index is computed by a formula which takes into consideration the length of the worst season and the highest percentage of pollen count.

For instance, Chicago's current index figure is 65. The pollen count daily could range from almost zero to over a 100.

However, Chicago's index is 55 points beyond the figure that is regarded as "fair" area for hay fever sufferers. The Survey Committee points out that O-1 index is excellent for the sufferer, 1-5 is good and 5-10 is fair.

To get under the index range of 10 the hay fever sufferer would have to drive to the northern edge of Michigan's upper peninsula, then go by boat into the lake and spend the season in the Isle Royal national park where the usual count is 5. Other locations are found on the Pacific coast, Florida, northern New England, in some of the mountainous areas of Montana and Wyoming and in Canada. Generally in the provinces of British Columbia, Alberta and Manitoba

THE SOCIAL WHIRL

Weddings, Engagements, Clubs, Women's Activities

Showers Are Given For Joan Breitbarth

Joan Breitbarth, daughter of Mr. and Mrs. Harold Breitbarth of Tinley Park, has been honored by two showers in the past several weeks. The first shower, June 25, was given by Marjory Koehler and Helen Schuldt at the Koehler home. There were 25 guests present, among whom were many of Joan's high school friends. She was presented with a beautiful corsage of white carnations in addition to many lovely gifts.

This was a miscellaneous shower, as was the second one given by her aunt, Mrs. John Boone of Chicago, on July 31st. There were 30 guests present, all relatives. The table was decorated with a bride doll and a large bouquet consisting of twenty-four gladioli. She was the recipient of many beautiful presents.

Kirby Woman's Club Makes Plans For Fall Fair

The Kirby Community Woman's club held its August meeting Tuesday evening Aug. 2 at the Kirby school.

During the business meeting plans were made for a fall fair and gala open house at the new school, Dist. 140, by chairman Mrs. Perry McVay. A travel movie will be shown on the Sept. 6 program.

A lively discussion, led by Mrs. Andrew Murphy, concerning the progress and condition of the new school building, a possible election to increase school taxes, and informative facts of township government, was enjoyed as the evening's program. Refreshments were served following the meeting.

If all the Fords, Lincolns, and Mercurys produced by Ford Motor company were placed bumper to bumper, they would stretch 110,953 miles - almost half-way to the moon or more than four times around the earth at the equator.

Lead arsenate spray mixed at the rate of 4 to 6 pounds per gallon of water will control bagworm and red spider on evergreen windbreaks.

Zion Ladies Aid Holds Picnic

The annual Zion Lutheran Ladies Aid picnic was held Aug. 3 at the Tinley Creek woods with 20 members and 21 children present. Also present were pastor R. Hahn and interne Norman Wentz. A pot luck dinner was enjoyed at noon.

The Sew and Sew club met yesterday afternoon at the home of Mrs. William Keuch; the Rag rug club will sew at the home of Mrs. William Marquardt Friday evening, Aug. 12.

Twenty-fifth wedding anniversary gifts were sent to Mr. and Mrs. Ed O'Neill and Mr. and Mrs. Leon Bacon. Plans were made to have a nursery during church services for children under three years of age.

Mrs. Billy Wheeler is to write to the Servicemen this month. The next bake sale will be held Friday, Aug. 26 in Vogt's store.

Entertainment and games were presented by Mrs. Ervin Funk, Mrs. Herbert Hopman, Mrs. Fred Mancke and Mrs. William Marquardt. Refreshments were served by Mrs. Melvin Rensink, Mrs. Carl Rauch, Mrs. Dick Pokorny, Mrs. Lena Schanz and Mrs. Etta Peterson.

Tinley Park Unit No. 615

The annual meeting of Tinley Park unit No. 615, American Legion auxiliary, is to be held at 8 p.m. tomorrow night, Aug. 12, in the Legion hall.

Next Wednesday, Aug. 17, a card and bunco party is to be given by the auxiliary, also in Legion hall. Games will begin at 8 o'clock and tickets may be purchased from any member. Refreshments will be served. Chairman for this event will be Mrs. Lottie Rasmussen.

The annual birthday party is to be held Friday, Aug. 26. Reservations should be made by Aug. 22, it was announced. Creta Keuch is the chairman.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Maple Street Arbor of Gleaners will meet at the home of Mr. and Mrs. Stanley Coe Wednesday night, August 17 for a business meeting followed by a weiner roast.

Mary Lou and Susan Smith of Winoka spent a few days this week with their grandparents, Mr. and Mrs. James Frazier.

Miss Alma Laufer, Miss Betty Stellwagen and Miss Bonnie Sproat were luncheon guests Friday of Miss Louise Berg.

Mr. and Mrs. Don Ried entertained their Rabbit Club at a potluck picnic at their home Sunday.

Mr. and Mrs. John Rapp of Chicago were visitors Friday in the home of Mr. and Mrs. Stanley Coe.

Mr. and Mrs. Ray Bell are the parents of a son, Michael Lee, born August 4 in Berwyn.

Mr. and Mrs. Charles Sass and children Larry and Debbie have moved into their new home north of Marley.

Choir practice every Thursday 7:30 P.M.

Henry Ford's "tin lizzie" was misnamed. The Model T, despite countless jokes about its ancestry, contained only .474 of a pound of tin.

The six Voca-lovelies will be the featured singers in the musical production numbers of the 1955 Illinois State Fair Revue. The variety program, which will be given August 15-19 in front of the grandstand, includes aerialists, comedians, ice skaters, trained animals, acrobats, trampolines, pogo stick artists, and the famous Dorothy Hill dance ensemble. Tickets for all five evening performances, priced at \$1 and \$1.50 are available from the State Fair Ticket Office, Springfield.

ORDINANCE NO. 45

AN ORDINANCE FIXING THE BUDGET AND MAKING APPROPRIATIONS FOR THE NEW LENOX FIRE PROTECTION DISTRICT FOR THE FISCAL YEAR BEGINNING MAY 1, 1955

WHEREAS, This Board of Trustees of said New Lenox Fire Protection District has prepared, or caused to be prepared in tentative form a budget and appropriation ordinance and the Secretary of this Board had made the same conveniently available to public inspection for at least thirty days prior to the date hereof; and

WHEREAS, a public hearing was held as to such budget and annual appropriation ordinance on the 16th day of May, A.D. 1955, notice of said public hearing was given at least thirty days prior thereto by publication in the New Lenox Press, a secular newspaper published in said Fire Protection District, and by posting notices thereof in five of the most public places in said New Lenox Fire Protection District, to-wit:

- One on the pole at or near the northeast corner of the intersection of Cedar Street and Lincoln Highway (U. S. 30) in Section 16.
- One on the pole at or near the northeast corner of the intersection of Haven Avenue and said Cedar Street in said Section 16.
- One on the pole at or near the northeast corner of the intersection of the Old Joliet and Gougar Roads, the same being at or near the southeast corner of Section 18.
- One on the pole at or near the northwest corner of the intersection of Francis Road and Cedar Street, the same being in the Southeast quarter (SE $\frac{1}{4}$) of Section 9.
- One on the pole at or near the southwest corner of the intersection of Spencer Road and Cedar Street, the same being at or near the southeast corner of Section 21.

All in the Township of New Lenox, Will County, Illinois, and all other legal requirements have been complied with.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE NEW LENOX FIRE PROTECTION DISTRICT, in the County of Will and State of Illinois:

Section 1: That the following budget containing an estimate of revenue and expenditures, be and the same is hereby adopted as the budget of said New Lenox Fire Protection District for the fiscal year beginning May 1, 1955, and ending April 30, 1956, and shall be in full force and effect from and after this date:

Part 1: Estimated Receipts		
Cash on hand at beginning of fiscal year	\$ 1,280.00	
Taxes of levy for the year 1954 and prior years to be received during this fiscal year	6,720.00	
Taxes to be received in this fiscal year from 1955 levy	7,000.00	
Less: Estimated amount that will not be available before the end of this fiscal year	7,000.00	None
Sale of Tax Anticipation Warrants		5,000.00
Grand Total		\$13,000.00

Part 2: Estimated Expenditures:

1. Operating Expense:		
Trustees' Salary, \$50.00 each per annum	\$ 150.00	
Legal Services	150.00	
Stationery	20.00	
Printing	60.00	
Auditing service	50.00	
Salary of Caretaker	225.00	
Gasoline	100.00	
Oil	30.00	
Surety Bond premiums	25.00	
Public Liability Insurance	300.00	
Accident Insurance	400.00	
Supplies	600.00	
Repairs to fire station	250.00	
Repairs to fire trucks	250.00	
Fuel for heating fire station	600.00	
Telephone	240.00	
Insurance on fire station	50.00	\$ 3,500.00
2. Addition to Fire Engine House		9,500.00
Total Estimated Expenditures		\$13,000.00

Section 2: It is estimated that no cash will be on hand at the end of said fiscal year.
Section 3: That there be and is hereby appropriated for the necessary expenses of the New Lenox Fire Protection District in the County of Will and State of Illinois for the fiscal year beginning May 1, 1955, the following sums of money for the purposes hereinafter specified, to-wit:

1. Operating expense:		
Trustees' salary, \$50.00 each per annum	\$ 150.00	
Legal services	150.00	
Stationery	20.00	
Printing	60.00

NOTICE TO:

BLANCHE B. ALLEN, owner, CHARLES D. OTIS (the person in whose name the real estate was last assessed and taxed for general taxes), ALICE S. KRAH, FRANK H. ROSS, ELMHURST NATIONAL BANK, Trustee, ESTHER K. ARBEITER, GEORGE C. ARBEITER, GLADYS FINSTON and LOIS CHURCHILL (persons interested), JOSEPH H. HARTLEY, County Clerk of Will County, Illinois, and UNKNOWN OWNERS.

TAKE NOTICE, that on October 15, 1953 Louise Voltattorni, at a sale made in pursuance of a decree entered by the County Court of Will County, Illinois, in the cause entitled, "People of the State of Illinois vs. James Hayes, ET AL.," and numbered 8394, purchased the following described real estate:

Lot Twenty-eight (28), Twenty-nine (29) and Thirty (30), Block two (2), Columbia Heights.

That there was included in the decree for which said real estate was sold general taxes for the years 1931 to 1952, both inclusive.

That the time of redemption from said sale will expire November 30, 1955.

FURTHER TAKE NOTICE that the purchaser has this 4th day of August, 1955, filed a petition in the County Court of Will County, Illinois, in case number 8394, praying that said County Court order and direct the County Clerk of Will County, Illinois, to issue tax deeds conveying the above-described real estate to the purchaser if said real estate is not redeemed from said sale within the time allowed by law.

You and each of you are hereby further notified that if no redemption is made from said sale within the time allowed by law, the purchaser will, on the 1st day of December, 1955, at 10:00 A.M., or as soon thereafter as said petition can be heard, appear before his Honor, John C. Cowing, Judge of the County Court of Will County, Illinois, or before such other Judge as shall be sitting in his stead in the County Court Room of the Court House in Joliet, Illinois, and apply for an order on said petition directing that tax deeds conveying said real estate issue to the purchaser, at which time and place you may appear if you so desire.

Dated this 4th day of August, A. D. 1955.

LOUISE VOLTATTORNI (Purchaser)

Aug. 11, 18, 25

HENRIETTA MULLER, owner, MRS. HENRIETTA MUELLER (the person in whose name the real estate was last assessed and taxed for general taxes), JOSEPH H. HARTLEY, County Clerk of Will County, Illinois, PERSONS IN POSSESSION OR PARTIES INTERESTED IN SAID REAL ESTATE AND UNKNOWN OWNERS.

TAKE NOTICE, that on October 15, 1953, Vincent Sylvester, at a sale made in pursuance of a decree entered by the County Court of Will County, Illinois, in the cause entitled, "People of the State of Illinois vs. James Hayes, ET AL.," and numbered 8394, purchased the following described real estate:

Lot Thirty-three (33), Block Two (2), Columbia Heights.

That there was included in the decree for which said real estate was sold general taxes for the years 1931 to 1952, both inclusive.

That the time of redemption from said sale will expire November 30, 1955.

FURTHER TAKE NOTICE that the purchaser has this 4th day of August, 1955, filed a petition in the County Court of Will County, Illinois, in case number 8394, praying that said County Clerk of Will County, Illinois, to issue a tax deed conveying the above-described real estate to the purchaser if said real estate is not redeemed from said sale within the time allowed by law.

You and each of you are hereby further notified that if no redemption is made from said sale within the time allowed by law, the purchaser will, on the 1st day of December, 1955, at 10:00 A.M., or as soon thereafter as said petition can be heard,

appear before his Honor, John C. Cowing, Judge of the County Court of Will County, Illinois, or before such other Judge as shall be sitting in his stead in the County Court Room of the Court House in Joliet, Illinois, and apply for an order on said petition directing that a tax deed conveying said real estate issue to the purchaser, at which time and place you may appear if you so desire.

Dated this 4th day of August, A. D. 1955.

VINCENT SYLVESTER (Purchaser)

Aug. 11, 18, 25.

PUBLIC NOTICE

To Whom It May Concern:

Please take notice that on Tuesday August 30, 1955, at 8:00 P.M. in the New Lenox Fire District Building, the Village of New Lenox Zoning Board of Appeals, will consider the appeal of Edward Richter, from the order of R. J. McCleary, Zoning Enforcement officer of the village, refusing to grant a permit to construct a garage on Lot 194 in Brookwood Park.

The relief prayed for by said appellant is for a variation of the application of the provisions of Sec. 3 of Article 4 of the Zoning Ordinance of the Village of New Lenox, Illinois, so as to permit a reduction of the width of the sideyard on the side of proposed garage to a width less than the width provided for in said Ordinance.

Also to hear any other business that may come before the meeting.

Village of New Lenox Zoning Board of Appeals
By Walter Baers
Chairman

August 11, 1955.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN by the Board of Education of School District No. 122 in the County of Will, State of Illinois, that a tentative budget for said School District for the fiscal year beginning July 1, 1955 will be on file and conveniently available to public inspection at the Oakview School from and after 9:00 o'clock A.M. on the 11th day of August, 1955, at New Lenox in this School District.

Notice is further hereby given that a public hearing on said budget will be held at 8:00 o'clock P.M

SOLDERING IRON \$10.88

Nichrome elements. Copper tips are removable, 110-220, AC or DC.

Your Handy Helpful Hardware Man suggests:
HOW TO USE WIRE SOLDER SAFELY

This will save many a burned finger when using a soldering iron. A handle wound from wire itself will prevent wire solder from becoming too hot to hold. Wrap a suitable length, 2 or 3 ft., around a pencil, then pull off the coils. Pass one end of the wire through the center of the turns. The solder now can be held around the loops and worked close to the torch or iron without danger of burned fingers. Additional solder is supplied by pulling the end through the coils.

Many other Handy-Helpful Hardware Man's suggestions are found in Popular Mechanics' "DO IT YOURSELF" books available at this store.

CARD OF THANKS

We want to extend our heart felt thanks and appreciation to all our friends, neighbors and relatives for their sympathy and kindness shown us during the illness and death of our beloved wife and mother; also to the Rev. Dale Kleinschmidt for his comforting words; for the many thoughtful cards, floral offerings and donation of cars. Your deeds will ever be remembered.

OSCAR KLOSE SR. and FAMILY

A son was born to Mr. and Mrs. James Marshall of Chicago July 10, in St. Luke's hospital. The baby, James William, weighed five pounds, four ounces. His mother is the former Joan Martie of Mokena.

Mr. and Mrs. Albert Cappel who recently purchased a lot from Harold Smith on First St., started this week to excavate the basement for the home they will build there. It will be a four room house and they hope to be able to move in it by November.

Mr. and Mrs. Dale Jakabosky and children of Narka, Kans., were guests last week of her sister, Mr. and Mrs. William Blaha. The Blaha's are enjoying a vacation, spent at home this week.

Staff Sgt. and Mrs. Dewey Sampson spent several days last week with his uncle and aunt, Mr. and Mrs. Martin Medema. They came from Ossawatimie, Kan. Other guests last week in the Medema home were his brother, Mr. and Mrs. Dirk Medema of Muskegon, Mich. They returned with Mr. and Mrs. Martin Medema after the latter spent a week's vacation in Muskegon. The Martin Medemas returned with 75 perch and two pike which they had caught while fishing there.

Mr. and Mrs. Nicholas Guldendorf and sons, Jimmy and Roger and daughter Nancy of Aurora, spent Sunday afternoon with their cousins, Mrs. Clida Deadmore and Mrs. Margaret Semmler and family.

Mr. and Mrs. Guy Maturo and daughter of Chicago were guests Sunday afternoon in the Ray Westlund home.

The regular monthly meeting of the St. John's Friendly Circle will be held Thursday evening, Aug. 11, in the church basement at 8:00 pm.

Joan Neumayer and Phyllis Rust will be in charge of devotions. Refreshment committee: Lucille Bormet, Ann Burkhardt and Marjorie Leyerle.

Mrs. Ernest Smith and two year old daughter, Denise of Miami, Fla., arrived at the home of her mother, Mr. and Mrs. W. H. Pitman last Thursday. She will return Aug. 17, making the trip both ways by plane.

Edward Guldendorf, 114th street who suffered a serious injury to his foot last week, returned home Monday after the cast was placed. He is able to get around somewhat on crutches.

Mr. and Mrs. Ralph Howell and David left Sunday for Bowling Green, Ky., to attend the funeral of his mother, who passed away Saturday.

Mrs. Marie Martz and son Billy of Atlanta, Ga., have been visiting with her aunt and uncle Mr. and Mrs. John Martin. They expect to return home Saturday.

The Women's guild of St. John's Evangelical church will meet in the church Thursday afternoon Aug. 18 at 2 o'clock. The lesson study will be on recreation. Mrs. Robert DeForrest will have charge of the devotions which will deal with Christians on the Job. A movie will be shown entitled, "Is Your Home Fun?" Hostesses will be Mesdames Bert Spiess, chairman, William Bass, George Bisgrove, Richard Erickson, Philip Hacker, Oliver Keisler, Gus Long, Edward Martie, W. A. Muehler, Mable Kropp and Miss Emma Klose.

The WSCS of the Methodist church will meet in the home of Mrs. Nicholas Thome this afternoon, Aug. 11. Those attending are to meet at the church at 1:45. The meeting will open at 2 pm. with Mrs. Harold Cooper in charge of the program which will deal with the history of settlement houses. Mrs. Arthur Shoop will present the devotions.

A group of young people from St. John's church motored to Bass Lake Sunday and enjoyed a picnic at the Roy Kropp home.

Mr. and Mrs. William Lowry attended the wedding of her brother Charles Singler Jr. and Miss Bernice Konstant in Chicago Saturday morning. They also attended the reception following.

Mosquito Dist. Puts Tentative Budget on File at Posen Office

The board of trustees of the South Cook county mosquito abatement district issued the following statement after a special meeting which was devoted to a discussion of the proposed program and budget for 1955-56, and the adoption of a tentative budget and appropriation ordinance: "We think it appropriate to again remind the residents of the district what the program for mosquito abatement is, and why we have adopted it. An understanding of the program is necessary for understanding the district's expenditures. At the outset, two courses of action were open to us:

(1) "A program based upon the control of adult mosquitoes by fogging or similar techniques.
(2) "A program based upon control of mosquitoes while still in the 'wiggler' stage.
"The principal argument in

years to be more effective, safer, and less costly.

"The argument against this latter course of action was simply that it probably would require about three years and possibly five before the maximum benefit could be realized. As trustees charged with the duty to abate the mosquito nuisance effectively, safely, and economically, we chose the second course of action - a program that will yield the best long term results, and will afford the opportunity for decreased costs in the future.

"We are confident that the majority of the district's citizens will, if thoroughly informed, concur in the soundness of this approach. We should like to take this occasion to thank the press for their cooperation in getting as much information to you as possible. There are 35 suburban newspapers and four metropolitan dailies that serve the residents of the district. Since the beginning of the current mosquito season not a week has passed but that some information

on district program or activities has been carried in these newspapers."

The tentative budget and appropriation ordinance adopted at the July 29th meeting is now available for public inspection in the District's offices, 308 West 147th Street, Posen.

DAIRY FARMERS WILL EXCHANGE IDEAS SEPT. 8

Money-saving and money-making ideas by the dozen will be presented to Illinois dairy farmers on Sept. 8. That's the date of the fourth annual dairy day sponsored by the college of agriculture's department of dairy science.

G. W. Salisbury, department head, says the department is go-

ing all out to make this year's event the best yet.

During the morning program at the university dairy farm, staff members will demonstrate skills in foot trimming, dehorning, clipping and proper milking procedures. There will also be a report of a survey on feeding green-cut pasture to dairy cattle and exhibits featuring cows that have been fed on a diet of corn only.

Other highlights of the program include some attractive exhibits and displays, reports of other up-to-the minute research, and a speaker list headed by Ralph E. Hodgson, head of the dairy husbandry research branch of the U. S. department of agriculture.

Meeting time is 9 a.m. DST on Thursday, Sept. 8, at the main dairy barns, South Lincoln ave., Urbana. Lunch and the afternoon program will be held at Illini Grove.

SPORTS

TINLEY PONIES WIN TITLE

The play-off game scheduled for Saturday, between the Tinley Park Healy Ponies and Beecher was postponed because of rain. It was re-scheduled for Sunday afternoon and Tinley won by 7-0 default when Beecher failed to field a team.

The Tinley team will receive the championship and individual trophies at a later date. Coach Eric Nasebandt hopes to schedule games for Saturdays and Sundays up to and including Labor day, with strong teams not in the Wilco League. Most of the Sunday games will be played at Tinley.

CARNIVAL SPIRIT—

(Continued from page 1)
of the John B. Rogers company which specializes in directing pageants and home talent productions, and according to those who have caught some of the rehearsals the pageant is well worth seeing.

There will be four performances - Thursday, Friday, Saturday and Sunday nights, with curtain time at 8:30, except Saturday. The Saturday night performance will follow the speech to be given by U. S. Senator Everett Dirksen. Sen. Dirksen is scheduled to speak at pageant field Saturday night at 8:30 o'clock.

Will Review Styles
Thursday is listed on the program as "Ladies day." As has been said already, the coronation of the centennial queen is to take place that night and the fashion show and tea alluded to previously is to be given this afternoon at 2 o'clock in the school gymnasium.

One of the oldest dresses to be modeled is made of material more than 200 years old and another to be shown is a hand-made dress that originated in England more than 150 years ago.

Two beautiful blouses are among the things to be modeled. One is a brown wool, trimmed in ivory satin and was part of a wedding outfit. The other blouse is of black satin trimmed with lace net over pink satin.

A 3-piece blue wool suit, circa about 1890, will be shown, and modeled with this costume will be a wedding hat dating back to 1865.

Approximately 15 wedding dresses from different periods will be modeled as will a black jet beaded formal of the unbelievable 1920's.

Mourning hats, other hats, sport clothes and shoes of various ages are to be modeled and the babies - or at least one baby - will have a part in the show as model for a christening outfit.

Belles and Beavers
But the show will not be confined solely to styles of long ago. Up to the minute fall clothes, sportswear, suits, dresses and coats also are to be modeled, furnished by stores from Park Forest and Joliet.

Final judging of the Frank-

DEADLINES

Classified Ads... Tuesday Noon
Display Ads... Monday 5 p.m.
School Activities... Friday Noon
Church Activities... Friday Noon
Club Activities... Friday Noon

These deadlines apply to conventional announcements only. Copy covering news events which occur Friday evening, Saturday and Sunday should be received at the newspaper offices by Monday noon for publishing in the following issue.

50 LAP RACE ON AT JOLIET MIDGET TRACK

A 50-lap mid-season championship feature, plus a small exhibition race will be on tap Saturday night in the midget auto racing program at Joliet Memorial Stadium.

Youngsters 6 to 14 will compete in cars about half the size of the midget autos in a "half-pint midget" event.

Besides the 50-lap feature, there will be a 25-lap semifeature and a full card of four heat races and a handicap race. Time trials start at 7:30 p.m. and the first race at 8:30 p.m.

Extra points toward the season track championship will be awarded in the feature race.

Bob Tattersall of Streator, currently the "hottest" driver at the track with three straight main event victories, rates as the No. 1 choice to win the mid-season championship race.

Out to stop Tattersall in his bid for an unprecedented fourth consecutive triumph will be Sam Robinson of Rockdale and Jim Bender of DesPlaines, each of whom has won a feature; Tony Lenti, Bud Abraham and Johnny Riva, all of Chicago; Jolietans Tony Saylor and Corky Singer; Ken Rubright of Lyndon; Dan Curley, Maywood; and Chuck Green, Ottawa.

fort Centennial Belles will take place tonight at 7 o'clock, at pageant field.

Tomorrow is to be known as "Pioneer and Homecoming day," with final judging of the Brothers of the Brush at 8 p.m. on pageant field. Wearers of these hirsute decorations are looking forward to the end of the centennial when they can clear their faces of beard.

Another event scheduled for Saturday afternoon that should attract considerable attention is a milking contest to be staged at 4 o'clock. The milkers are supposed to be mayors from the towns in the area.

Milking Contest Too

The publicity staff of the centennial has sent out a release to the effect that hand milking is becoming a lost art in this mechanical age. This may or may not be true but it is safe to say that milking probably is a lost art as far as some of these mayors are concerned and the event, if it comes off, should be interesting and full of action. Prizes will be awarded but those in charge don't say whether they will be given to the mayor who draws the most milk or whether it will be the surviving mayor will carry off the palm.

The union service Sunday morning is to be held in the Frankfort grade school gymnasium with the Rev. Erich Bizer, pastor of St. Peter's church, and the Rev. Ben Day, pastor of the Methodist church, will officiate. A 60-voice centennial choir will provide the music at the service, under the direction of Arthur Lambrecht.

Those in charge of the centennial have been working hard for months to ensure its success and are hopeful their efforts will be rewarded by a large attendance each of the four remaining days.

Everyone is invited.

BETTENHAUSEN—

(Continued from page 1)
recently there was talk in Washington about passing laws that would eliminate automobile racing. The persons who advocate such a thing don't know what they are talking about, Bettenhausen said.

Certainly there is danger in racing, he admits, but most of the risks are studied and known beforehand and carefully taken. Road races, he says, are more dangerous than those conducted on tracks where the drivers know the entire surface. In races drivers are on unfamiliar, constantly changing ground and a smash up there is almost certain to bring injury or death to the spectators that line the route.

Improve Pleasure Cars

The torsion bars that some automobile manufacturers are begging to use instead of conventional type springs, were born on the speedways. Tony pointed out, and he added that many of the things that now make passenger cars operate more efficiently and safely are the outgrowth of mechanical improvements brought about by racing.

He also pointed out that before a car is finally brought to the starting line it has been torn down and put together again many times by master mechanics in their unceasing efforts to make them better and replace any parts that may have suffered strain or abuse.

To guard against failure is to guard against accident, he added, but with all precautions and with all the care that is lavished on racing cars there are still mechanical failures and there are still many accidents. Tony himself has been hospitalized a number of times as a result of

track crack ups, the last smash-up among the midgets at Soldiers' field in Chicago. The passenger car driver can write his own lesson from this.

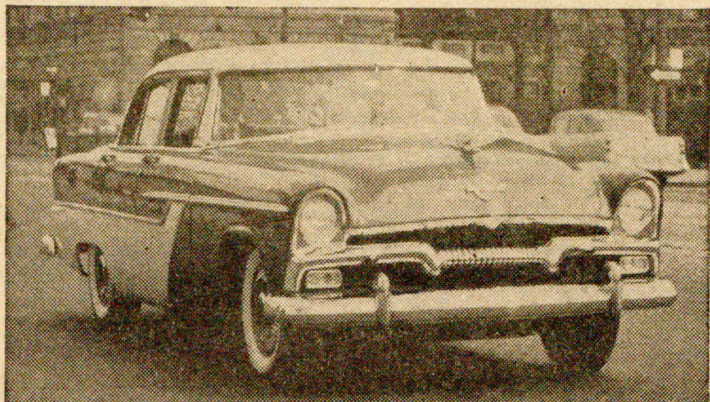

In automobile racing as in aerial combat, to let someone get on one's tail is sometimes fatal. Hitching a ride they call it in racing. If you get up close enough to a car ahead of you that is going along at around 140 miles an hour you will be sucked along, Bettenhausen said and can ease up on the throttle and still keep up the pace. This not only saves fuel and rests the foot but in time will set up such a vibration in the leading car that that driver will have to haul off into the pits.

Tony's talk was instructive and entertaining, taking the form of questions and answers for the most part and aptly illustrated with the film of the race.

FIRST GAS TURBINE CAR IN TRAFFIC

Motorists in Detroit and its suburbs are seeing Chrysler Corporation's "Turbine Special" for the first time on city streets, but they have to look closely to detect any exterior distinctions from current Plymouth cars with conventional engines. The Chrysler experimental gas turbine engine is the first to successfully power a production type passenger car and the first to solve the long-standing gas turbine problems of high fuel consumption and tremendous exhaust heat. The gas turbine engine is being test-driven on city streets and at the Chrysler Engineering Proving Grounds in a 1955 Plymouth Belvedere sedan. There remain many metallurgical and manufacturing problems to be solved if gas turbine engines are to become the automotive power plants of the future.

KE 2-4556

Capital Report

by Rep. John M. King

The political pot will begin bubbling early this month in Illinois with the spotlight focused on the 47th annual governors' conference in Chicago from Aug. 9 to 12 and upon the Illinois state fair from Aug. 12 to 21.

The conference of the chief executives of the 48 states coming before a presidential election year is sure to shift the rumor mills concerning possible vice presidential candidates into high gear.

Governors from key states who are given credit for the ability to carry their state for their party are always prime

possibilities as running mates for a presidential candidate.

Illinois will be host state for the governors' get together for the first time. Getting down to the state and local level, activities at the state fair are always productive of informal decisions concerning candidates for state offices.

The annual agricultural exposition is held to stimulate interest in farm progress in Illinois, but also provides a convenient meeting place for political leaders.

On Governor's day, Aug. 18, Republican leaders will gather to iron out slate making problems and differences. The day before Governor's day will be Democrats' day when the big wigs of that party will be occupied with similar activities.

This year the state fair is 103 years old. When it was first held in 1853 under sponsorship of a farmers group known as the Illinois state agricultural society it had 756 entries and gave awards totaling \$944. Recent fairs have attracted more than 8000 exhibitors and given more than \$600,000 in awards.

During the early years of the fair its location was switched from place to place thru out the state. Since 1894 it has always been held in Springfield.

Cities that played host to the state fair before that date include Alton, Centralia, Chicago, Decatur, DuQuoin, Freeport, Jacksonville, Olney, Ottawa, Peoria and Quincy.

The controversial loyalty oath bill became effective with the issuance of pay checks for the first of this month.

The bill requires all state employees and school teachers to sign an oath stipulating their loyalty before they can receive their pay. Although it seems likely that many checks will be withheld this month for lack of such an oath most of these instances will be because of over-

sight and not from objections to signing.

The full effect, if any, of the new requirement will not be felt until the first of September. It is probably an even money bet that no one will give up their jobs rather than swear to their loyalty.

Now that Governor Statton has completed his action on all bills presented to him by the recent general assembly, the final record shows that he vetoed 163 percent of the bills considered. The 189 bills he refused to approve is a new record for an Illinois governor.

It is of interest to note that the Illinois legislature introduced 2,158 bills as compared to 6,677 bills considered by the New York legislature. However, we passed 54 percent of these bills and the New York law makers pushed thru only 17 percent of the total introduced.

FRANKFORT

Mrs. Katharine Heisner
Frankfort 4902

Mr. and Mrs. Ervin Schell-hase, Mr. and Mrs. Milton Subbert and family and Mrs. Clara Rauch attended a family Sunday picnic at Orland Park.

Mr. and Mrs. Walter Bettenhausen and Bonnie Borms attended a birthday dinner Sunday at the home of Mr. and Mrs. Joe Kolodyck at Chicago.

Payne Cave of Henderson, Ky., is visiting this week with Bobby Breidert.

Mr. and Mrs. William Wilson of Briar Woods returned home last week after a month's vacation with relatives in and around Pasadena, Calif.

Mr. and Mrs. Ted Shahan, Hammond, Ind., were dinner guests of Mr. and Mrs. Ralph Dralle Sunday.

The Frankfort Honey Bees 4-H club met at the home of Mrs. James Logan Aug. 5, with Willa Schroeder presiding. Announcement was made by Mrs. Fred Piepenbrink of a tour on Aug. 17, to the Tinley Park Bakery and the Macaroni factory at Steger. For transportation meet at the public school at 8 a.m.

The achievement money from the Pageant of Progress will be forthcoming in the near future from the Home Bureau office. August 19, at 1:30 p.m. the local achievement will be held at the village hall with Sandra Logan, Rose Mary Lane and Ruth Ellen Nice serving refreshments. There will be no meeting this Friday due to the Centennial.

An outdoor dinner party was held at the Henry Geuthers home last Thursday evening when neighbors gathered in honor of the birthdays of Mrs. Donald Stevens and Martin Miller. A social evening was enjoyed.

Mrs. Wednell Morrison entertained at a little Miss Centennial Bells luncheon in her home last Wednesday at 12:30 o'clock. The event was the 10th birthday anniversary of her daughter Connie. Guests were Sherry Dralle, Nancy Lambrecht, Bonnie Fredin, Sandy Wieringa, Sherry Ferrell, Judy Lewin, Judy Larson, Mary Ann Otto, Kay Van Rhee-den and Mary Sue Krusemark. A gay afternoon with games was enjoyed. The little honored bells received many lovely gifts.

All day guests last Thursday of Mr. and Mrs. Henry Landau were Mr. and Mrs. Charles Sippel of Tinley Park, Mr. and Mrs. James Murdock and Mrs. Bertha Trull of Drexel Hill, Pa.

The Crop County committee met at the Methodist church Tuesday evening for the Christian Rural Overseas program campaign to be conducted this fall in the area. Watch for more details later.

Mr. and Mrs. Harry Miller and daughters returned after a week's vacation spent in northern Michigan this past week at a lake.

June Younker was the name given the infant daughter of Mr. and Mrs. Leslie Younker when baptized Sunday morning during the regular service by the Rev. Erich Bizer, in the St. Peter's church.

Dr. and Mrs. Charles E. Landon of Durham, North Carolina visited his parents Mr. and Mrs. J. C. Knight recently.

Recent guests of Mr. and Mrs. Herman Barlewort were Virgil Curtis and son and Dwight Kelley of Hastings, Ia.

Robert Nevada and Jerry Piepenbrink returned last Friday after spending a week at Camp Bloomington. Dr. and Mrs. Nevada went to get the boys.

Mrs. Albert Minger accompanied her son and family, Mr. and Mrs. Ray Minger of New Lenox to Lawrence, Mich., where they spent the week end with Mr. and Mrs. Howard Woelfel.

Miss Suanne Holl of Joliet spent last week with Miss Janice Mae Johnson.

The Rev. and Mrs. Robert Klepper and daughter of Prospect Heights are spending the week with his mother, Mrs. Bertha Klepper.

Miss Viola Lankenau spent a week's vacation with her brother and family, the Floyd Lankenau's at Dearborn, Mich. She made the trip both ways by plane.

Mr. and Mrs. Herbert Minger were among those from here who attended the Peotone carnival Sunday. They also visited with relatives while there.

Miss Lois Bettenhausen entertained the Young Women's circle at her home Tuesday.

Mr. and Mrs. Herbert Folkers attended the 33rd Hughtart family reunion Sunday at Valparaiso.

Mrs. Folkers was elected president for 1956.

J. C. Robillard, a former roommate of Frank Folkers, and his father Joseph Robillard of Baton Rouge, La., were Saturday evening supper guests of the Herbert Folkers as they were enroute home.

Mr. and Mrs. Fred Harnack and Dennis of Phoenix, Ariz., were dinner guests of Mr. and Mrs. Alvin Harnack last Wednesday. They spent the remainder of the week with relatives in Kankakee. They will return here sometime this week again.

BATH BETTER SLEEP INDUCER THAN COUNTING SHEEP

Doctors say the best cure for nervousness is plenty of sleep and relaxation. The only thing is, how does anyone get to sleep when he's all keyed up and nervous?

Plan your struggle for sleep with a fearless determination they say, if at bedtime you are tense and wide awake with worry over the cares of the world, don't let that bother you. In a few minutes you won't be worrying any more. You are going to sleep, they claim.

The first step is to fill the bathtub. Don't have the water too hot. Just warm enough to be soothing and comfortable. Then while water is splashing merrily into the bath, go in the bedroom and check your bed.

Put on fresh, clean bed linens. What you want is a bed tightly made with the corners tucked in snugly so you won't wake up in the middle of the night all tangled up in bedclothes. A clean, smooth bed feels cool and ever so relaxing after a hot bath.

Have a light snack, if you feel you could use one. Preferably warm milk to tea than coffee, and a small sandwich or some cookies. Digestive processes will draw the blood into your internal organs and away from your over-worked brain.

By now your bathwater will be ready. Ease yourself in and lie back and soak. Don't rush. Use soap and washcloth in slow motion. Feel how the mild temperature eases your tense muscles and frayed nerves.

Let yourself relax a few minutes with your eyes half-closed. Gently blot yourself dry.

Now feel your way into the bedroom and slip into bed.

The Model T Ford, heroine of a thousand journeys, but of uncounted jokes and the most famous automobile ever built, first chugged into history on October 1, 1908.

The Old Timer

"In grandfather's time, parents worried about bringing up their children. Nowadays, their problem is keeping up with them."

HERE'S CHANCE TO LEARN HOW HEART WORKS

A deep steady thump symbolizing a healthy heart as it beats 103,689 times every 24 hours pushing the blood a total of 160,000 miles every day, is part of the "giant heart" exhibit at the museum of science and industry in Jackson park. Said to be one of the finest of its kind, this exhibit set up for public education by the Chicago Heart association is viewed by 2,000,000 persons every year.

Visitors of the heart exhibit learn from findings of the American Heart association that the heart is not the delicate, easily over-strained organ that many individuals suppose it to be, but is instead the toughest, strongest muscle in the entire body; that it is more efficient than any man-made machine, has its own complete maintenance and repair system, and produces enough energy in its lifetime to lift the battleship "Missouri" 14 feet out of the water.

Further facts from heart authorities reveal that the heart has a reservoir of power specifically intended for strenuous exertion, and is as strong as an automobile engine that could run constantly for 70 years without overhauling.

Most heart attacks, say American Heart spokesmen, are not fatal, and the majority of individuals who suffer heart attacks recover and carry on business and social activities. Moreover, heart authorities agree that one of the greatest enemies of heart disease patients is over-eating.

These and many other fascinating facts are demonstrated at the unusual heart exhibit at the

museum of science and industry where the Chicago Heart association acts as host to all heart visitors. A vacation trip to the exhibit where guests walk thru the large chambers of the heart and listen to its awesome beat, is entertaining and enlightening. The Chicago Heart association invites all, and suggests that guests may go individually or in groups. Exhibits are open without charge from 9:30 a.m. to 5:30 p.m. every day except Sundays and holidays when the hours are from 9:30 a.m. to 7 p.m.

Sandy McDoe says: "Spring is the plantin' season the world around. But ye can plant the seeds of security every month, by simply signin' up on the Payroll Plan where ye work. Mon, 'tis pretty to watch the little green bonds grow."

Henry Ford, always associated with automobile pioneering, also was a leader in aviation experimentation. As early as 1910, he spent \$1,860.08 for aeronautical research.

Strict Tests Through Every Process Assure Safety of Salk Polio Vaccine

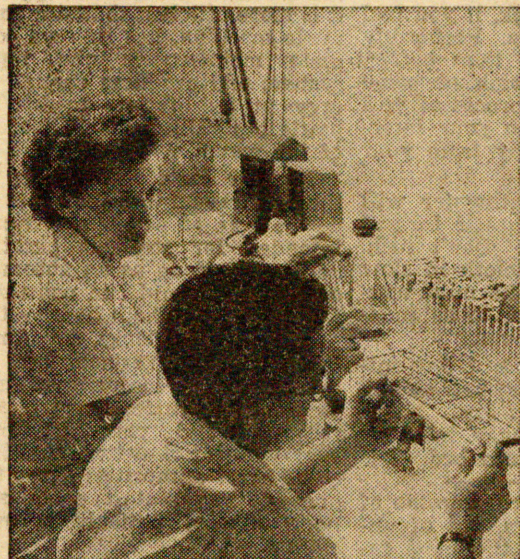

For the first time in history, a vaccine is protecting millions of human beings from paralytic polio. While the Salk vaccine will not work in every case, American children are being safeguarded against the dread disease, with no more risk than they would take in a vaccination against smallpox or a typhoid shot. The Salk vaccine must pass elaborate tests under the watchful eye of a government inspector at every stage of production. Then the final packaged vaccine is approved by the U.S. Public Health Service for distribution. Here are shown a few of the steps that assure American parents their children are being given a safe vaccine.

This technician is filtering dead cells and all other foreign matter from polio virus after it has grown on animal tissue in glass containers.

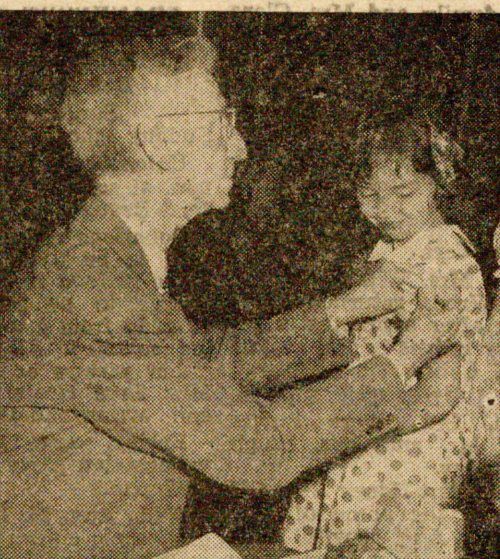

Virus is "cooked" in tank with formaldehyde (from bottle) until it is rendered harmless, after which it must pass exacting safety tests.

Animal tissue in tubes is inoculated with vaccine and let stand. If any live virus remains, it will multiply here, hence can be detected.

This expert is examining tissue after contact with vaccine, to determine absence of live virus.

It's all over and it didn't hurt a bit! Salk vaccine makes this little girl safer now from paralytic polio. And her parents feel better too!

TINLEY PARK

Tel. 2-4728

The following boys from Scout troop 255 left Aug. 3 for Camp Betz, near Berrien Springs, Mich. Barry Haber, Tommy Blount, Ronald Gadrin, Jimmy Read, James Michaels, Robert Meekim and Paul Kleber. Troop 255 is sponsored by the VFW with Gilbert Cloud as Scoutmaster.

Mr. and Mrs. James Foxall of Southland, are vacationing in Tennessee this week.

The Glen Lewis family are visiting Grandma Lewis in St. Louis, Mo.

The Hobart Smiths, of Sayre Avenue have their little granddaughter, Sharon Smith of Findlay, Ohio, visiting with them for three weeks.

The Misses Blanche and Cynthia Laird of Toronto, Ontario, Canada; and Mrs. Marion Nelson of Chicago spent two days here last week with their cousins, Mr. and Mrs. Arthur Nelson and family. The Nelsons also had as their guests last week, cousins Mr. and Mrs. Wendell Hanson and family, of Ohio.

Ellsworth Dickman, N. Cedar road, has returned home from Silver Cross hospital, where he was a medical patient for ten days. Still confined to his home, Mr. Dickman will not return to work for two weeks.

Carl, Allen and Jimmy Pier, and Jackie Lipaseck of Chicago, spent the past two weeks with their aunt and uncle, Mr. and Mrs. Joseph Cvelbar, at Spencer, Mr. and Mrs. Frank Pier and children of Chicago spent the weekend here with his brother and sister in law, the Cvelbars. This week, they have as their house guests, Mrs. Frank Lipaseck and son Jackie of Chicago.

Harold Jaeger of Chicago is spending a few weeks here with his sister and brother in law, Mr. and Mrs. G. Robert Stockley, Sr.

The New Lenox Garden Club met August 4th and enjoyed a luncheon at the Milk Pail, and an interesting tour of Haeger Pottery and wood working shop at Dundee. The next meeting of the club will be Sept. 1, at the home of Mrs. James Hope. The program will be on Table Settings by Mrs. Walter Houchin.

Mrs. Robert Darling, and Mrs. Bert Canada have returned home from Indianapolis where they spent a few days with relatives.

The New Lenox Home Bureau entertained the 4H girls and their mothers at the Lions Den for their July meeting. Mrs. Manuel Camden and Mrs. Louis McCann were the hostesses. The girls gave a food demonstration and modeled the clothing that they had made during the year. They also made the cookies that were served. The lesson on Home making Can Be Interesting was given by Mrs. John Francis.

There will be no meeting in August.

Carol Yunker spent this past week vacationing with her grand parents Mr. and Mrs. Emil Rechekeimer in Michigan. Mr. and Mrs. Arthur Rechekeimer and son Mickey of New Lenox, also vacationed with them in Michigan.

Mrs. Octavia Pugh and Mr. and Mrs. William Collatz and Merry Lee attended a birthday dinner Sunday at the home of Mr. and Mrs. Alfred Engel in Joliet, honoring the fourth birthday anniversary of their grandson, Tommy Barrowman, son of Mr. and Mrs. Thomas Barrowman also of Joliet. Mrs. Barrowman is the former Joyce Engel of New Lenox.

Mrs. Robert Stockley, Sr. has returned home from Silver Cross hospital where she was a surgical patient last week.

Mr. and Mrs. Erwin Yunker and family attended the Yunker family reunion held Sunday at the Arthur Geuther grove in Frankfort.

There will be a celebration of the Holy Eucharist at Grace Episcopal church this Sunday, Aug. 14 at 10:15. The celebrant will be the Rev. John McCarty, priest assigned to the National Council of the Episcopal church and he will be assisted by the Rev. Harris C. Mooney, vicar of the parish. The celebration this month will be an instructed eucharist with Father Mooney explaining the actions of the priest as he celebrates Holy Communion. This is the first such instructed eucharist the parish has had and it offers a fine opportunity to learn just what meaning Holy Communion has for each. The last ingathering of the women's United Thank offering before the triennial convention of the Episcopal church, will be held this Sunday at 10:15 when the women of the parish will make their corporate communion at that time.

Mr. and Mrs. Sam Carr and family spent the weekend with her parents, Mr. and Mrs. Guy Blackman in Centralia and with his parents, the W. T. Carrs at Clark, Mo. Their son Tommy remained for a two weeks vacation with his grandparents at Centralia.

ALPINE

Mrs. E. Mrosek
Orland 2841-R

Twenty three members of the Alpine girls 4H club exhibited project work of this year at the South Cook County home economics achievement meeting held in Glenwood Thursday.

Nineteen members of the club attended the meeting. They were accompanied by their leader, Mrs. Harwood Stellwagen, Mrs. Stanley Yunker, Mrs. Owen Maue, Mrs. Rector and Mrs. Edward Mrosek.

Mr. and Mrs. Albert Reeves, Walter, Larry, Marvin and Margaret Ann attended the annual Corsbie family reunion of his relatives Sunday held at Fox Park in LaPorte, Ind. 103 relatives from Iowa, Illinois and Indiana attended the reunion.

Mr. and Mrs. Henry Felsch, Sandra and Patsy returned Thursday evening from a two day sight seeing trip in Kentucky. Their first stop was Bardstown where they visited My Old Kentucky Home of Steven Foster's song. At Hodgenville, Ky., Lincoln's birthplace, they saw the Lincoln National Memorial park. They stayed over night at Cave City and while there they made

a three hour walking tour of Mammoth Cave where the temperature is 52 degrees the year around.

Stomach flu, for which the weather is generally being blamed, seems to be making rounds of the community.

Members of the Cub Scout group, Den 5, and their families surprised Steven Kovelkis, who is confined to his home because of a broken thigh bone, with a party in observance of his tenth birthday, Aug. 5. Cake, ice cream and pop were served and an afternoon planned especially to please the shut in was enjoyed. Present were Mrs. Roy Walker and sons, Mrs. John Cruise and children, Mrs. John Lohmann and children and Mrs. Anthony Molitor and children. Also present were Steven's grandmother Mrs. Kovelkis, formerly of Chicago, and Miss Dolores Walker of Chicago who was visiting at the home of her brother, Mr. and Mrs. Roy Walker.

G-E Yardstick to Measure Government

To most citizens, bewildered by increasingly complex problems of government, a check-list issued by General Electric Co., offered a yardstick by which government proposals can be measured.

1. Is it necessary? Or is it something that is not really needed, or perhaps, already being provided by a private or public group?

2. Can we afford it? Remember, there is no limit to what we would like, but there is a limit to what we can afford.

3. What will it cost ultimately? Many proposals are like icebergs - only a small fraction of the total cost is apparent on the surface.

4. How will it affect basic liberties? If it imposes unreasonable or illegal restraints on your life or that of others, it should be vigorously opposed.

5. Is it in the balanced best interest of all? If it is designed to benefit a small group or special interests while taking unfair advantage of others, work for its defeat.

6. Is it a "foot-in-the-door" proposition? Compromising a little now may bring an oppressive burden later either in more regulations or more taxes or a combination of both.

7. Does it place too much power in the hands of one individual or group? Once decisive power is granted to a non-elected public official, a commission or a municipal authority, the private citizens lose effective control.

8. Does it recognize the importance of the individual and the minority? This is a cornerstone of our republic.

9. Is its appeal based on emotional propaganda or facts? The farther a proposition gets away

from facts, the more critical one should be.

10. Does it square with your moral convictions? If so, fight for it. If not, oppose it.

Admiral George Dewey was called the "Hero of Manila."

Something new has been added to U. S. Government checks. On the back of each appear the words: "Buy and Hold U. S. Savings Bonds - Safe as America," with a drawing of the Minute Man of 1775, symbol of the Savings Bond program.

Keep plugging away, adding to your savings every payday. Then you'll be financially secure, and you'll have more of the things you want. Begin to save this week.

Only **Gas** Gives you **Hot Water Faster!**

If your hot water tap ever runs cold, it's time to replace your old water heater. Replace it with a modern automatic GAS water heater designed to keep pace with today's increased demands.

Then you'll be sure of a fresh, abundant supply of hot water whenever you need it... even for those "thirsty" appliances, the automatic clothes washer and dishwasher. GAS water heaters turn on full-flame automatically to replace the water as it's used... and since GAS is so fast, you don't need a big, space-taking tank. Enjoy all the hot water you want... any time!... for just pennies a day!

REMEMBER... with GAS there's no expensive installation necessary... your present service connections are more than adequate!

Get the proper size water heater for YOUR needs... see your plumber-dealer or visit our nearest store.

... **Costs Less!**

NORTHERN ILLINOIS Gas COMPANY

Step in... and command the most modern truck power on any job!

New Chevrolet Task-Force Trucks

Seven new "high-voltage" high-compression valve-in-head engines!

You've got it good under the hood with a new Chevrolet Task-Force truck! With two new V8's and five new sixes to choose from, you can pick the power that does your kind of hauling best.

Shortest-stroke V8's in any leading truck! They're of modern oversquare design, which means that the piston stroke is smaller than the bore. The

result is less piston travel per mile... longer engine life.

Modern 12-volt electrical system! It delivers twice the punch for quicker cold-weather starting. It also provides a hotter, fatter spark for better ignition.

Come in and command the most modern truck power for your job!

Year after year... America's best-selling truck!

Never Before has any line of corn pickers offered so many outstanding design and performance features!

You'll find the new Ford Mounted Pickers are easy to mount on the tractor... clear themselves of stalks better... shell less corn... remove husks cleaner... pick faster in heavy yields... operate easier. They're worth seeing!

NEW! "Corn Saver" Snapping Unit

Note how the ears drop off to the side rather than riding on the rolls where wasteful shelling occurs. Only Ford Corn Pickers give you this advantage. Tests show shelled corn losses are cut in half under most field conditions! There's lots more to see, so come in and look 'em over.

BOOB - OF - THE - MONTH HONORS AWARDED TO TRAFFIC WEAVERS

A new character in the highway traffic tragedy - Boob of the Month - appears in the current issue of Cook County Highways, monthly publication of the Cook County Highway Department.

Beneath a silly face appears the following:

The Boob under consideration this month is the weaver.

He weaves in and out of traffic lanes like the marble in a pin ball machine.

He passes Car A on the left and Car B on the right or vice versa.

He may appear to be a real Hot Shot.

Indeed, he may be taken for a model, especially by the young. They, too, can become Boobs. All they need do is be—

(a) Inconsiderate of everybody else.

(b) Above traffic laws, regulations and common sense.

(c) A Smart Alec in all situations where it is better to be just smart.

Some times, of course, the weaver gets to the head of the line.

But some times he doesn't. For instance—

Edens Expressway is as safe a highway as can be built. In 1954 the traffic volume amounted to 184,939,870 vehicle miles. Yet there were only 200 accidents. Of this number, 104 were various types of collisions - one car banging another - and 102 of them were attributable to weaver drivers.

The weaver's watchword - "What's all the fuss about? I almost made it."

pending, however, that may break momentarily and while these will not be major in scope they should, if they materialize, solidify our position in some areas and further expand our operations in other areas plus contributing a substantial ally towards further increased sales above our projection for the balance of the year.

Number of stores in operation as of July 16 was 713 as compared with 719 at this time last year.

Next For Home Use Will Be Central Air Conditioning

Central air conditioning will be the next addition to American homes, Prof. Seichi Konzo of the University of Illinois forecasts. The University is a world-recognized center where home heating and air conditioning has been studied for 40 years.

"Room air conditioning today is like room heating 40 or 50 years ago, and will be supplanted by central cooling," Prof. Konzo says. "New homes should be designed with central air conditioning in mind even if it is not installed now."

Name Committee For Research In Education

Educational research on all levels in Illinois from kindergarten thru college would be coordinated under a proposal made at the University of Illinois by school leaders of the state.

The Illinois educational conference, meeting on invitation of Pres. Lloyd Morey and Vernon L. Nickell, state superintendent of public instruction, has appointed a committee to plan an Illinois educational research council which would coordinate work under way now and initiate new research.

It would consider such matters as curricula, staffing, facilities, financing, and public understanding.

The conference pointed to need for long-range planning for all education in Illinois, and to its special significance at this time because of present and anticipated enrollment increases.

ORLAND PARK

Mrs. Sherman Knox
Orland Park 211W

Mrs. Mabel Ekberg, president of the Woman's club received a "Thank You" note from Mrs. Henry D. Paschen, general chairman for the Salvation Army Doughnut Tag Day, for their part in making the day a success. Orland raised \$142.73 this year, the total income for 1955 was \$150,003.16. Mrs. Ekberg also expresses her appreciation to all the volunteers in the Orland area.

The Evening Circle of the WS CS, of the Methodist church will meet this evening, Aug. 11 at 8 o'clock with Mrs. Bill Adams. All members are urged to attend.

Plans are in the offing to have a "Sweet Corn" supper, Thursday, Aug. 19, in the Methodist church dining room. Serving will be from 5 to 8 o'clock. This is a WSCS project, providing the corn situation is good enough for the supper.

The Country Town's Women's Republican organization are sponsoring their ninth annual luncheon to be held in the Polynesian room of the Edgewater Beach hotel in Chicago, Sept. 21 at 12:15 p. m. Anyone desiring to attend should make their reservation with Mrs. Mabel Ekberg as soon as possible, for you know the "early bird" catches the worm, for good location tables.

George Slager, son of Mr. and Mrs. George Slager of 139th st. and 82nd ave., arrived home July 24 from Marshall Islands on a 38 day furlough. He has 16 months more to serve in the army and expects to return to Ft. Leonard Wood, Mo.

Mrs. Louise Ebeling celebrated her birthday Saturday, and in her honor, her daughter, Mrs. Edward Plahn of Worth entertained members of the family to a dinner and supper, Sunday August 7.

Relatives of Harry Rauch enjoyed a get-together picnic dinner Sunday, Aug. 7 in the Forest Preserve on 143rd st. across from Reish's residence. Relatives

hailed from Chicago, Blue Island and Frankfort.

It's a girl for the Richard Pihl's, born Saturday, August 6 in Silver Cross hospital, Joliet. The infant weighed six pounds, two ounces, and has been named Deborah Lynn. Mother and daughter are doing nicely and will be home this week.

Rev. Ted DeBolt, who has been pastor of the Church of the Nazarene for the past two years, is leaving with his family, Aug. 22 to be in charge of a Nazarene church in Charleston, Ind. He will attend the general assembly in the First church in Chicago this week and next week will enjoy a vacation with his family in Michigan before leaving for Indiana.

Rev. Clifford Stoen of Worth will conduct services in the Orland church until his successor has been appointed. Rev. DeBolt was responsible for the building program in Orland. He preached his last sermon Sunday evening.

Mrs. Bertha Trull, her daughter and husband, Mr. and Mrs. James Murdock of Upper Darby, Pa., are visiting relatives and friends in Orland, Tinley Park and Chicago, Sunday they were dinner guests of Miss Iona Enders, Iona's brother and sisters, and their families were also guests.

The Men's club of the Methodist church were in charge of a picnic, Sunday at the Andrews Corp. picnic grounds. A pot luck dinner was served at 1:30 p. m. The children played games, the men pitched horse shoes and just sat around and chatted. Franklin Loebe with a representative speech, presented Rev. DeMoss with a purse as a token of appreciation and a going away present from members and friends of the church.

The Sunshine Maids 4-H club of Orland Park were all able to attend the South Cook County final achievement day, Aug. 6 at the Brookwood school at Glenwood. The girls of the club Doral Myrick and Susan Davidson were among the finalists. Doral was picked as an alternate for the State fair. Lunch was enjoyed by some of the mothers together with the girls.

Nine members of the Orland Cloverettes 4H club also attended the South Cook County final achievement day. All members had entered the clothing and foods projects. Barbara Schmaedeke received a gold star in the finals for her dress. In the foods project, Janis Meredith and Barbara Schmaedeke received two gold stars for the gingerbread; Connie Meredith, Marilyn Gee and Karen Anderson received one gold star. For Brownie cookies, Janice Greer, Judy Carroll and Claudette Bettenhausen were awarded two gold stars. Mary Barton, Joy Arnold, Jeannine Flynn and Joan Morgenthaler received one gold star.

There were only 26 chosen in the finalists.

Masses every Wednesday and Holy Days 7:30 a.m.

COMMUNITY CENTER
FOUNDATION
127th & Southwest Highway
Palos Park, Illinois
Rev. Paul T. Sanders, Director
All are cordially invited to attend both services.

MAN IS MORE THAN MATTER, SAYS WRITER

By Clare Boothe Luce
American Ambassador To Italy
Paulist Feature Service

An angry and vengeful God is not destroying this modern world. War is human, not divine. God does not make war. Men make it. Men make the bombs that can blast our cities to bits.

What a blow this notion is for the materialist. At one time he believed that man without God could become a god for himself. Today the materialist must face the fact that men are not perfectly good. Man left to himself will not work out a perfect world as today's mess shows.

But where will the materialist turn now? In what shall he put his hope? He can try business for business' sake, education for education's sake, but ultimately he must turn to despair - for without God there is nothing to hope for, no real tomorrow.

Christianity Only Choice
There is one real choice for the materialist. He can choose Christianity. Christianity is the only hope for the world because it alone realizes that the world needs interior change. The world today needs a change of heart, and only God's grace can change the human heart.

Christianity possesses the right view of man's nature. Man is not heart or bones, mind or belly, soul or senses, spirit or flesh. He is all of them. Man is matter soaked in spirit, spirit drenched in matter. Christianity explains suffering, pain, sickness, and death. It gives men the strength and patience to endure what cannot be changed, and to change what should not be endured.

The true Christian is realistic. He must admit that the state of the world today is his own fault. Christians who were not - and are not - Christians, are largely to blame for the tragic state of the western world today. The spiritual soil in which atheism took root and thrived was anemic Christianity.

Can't Be Weak
The materialists were more faithful to their idols than many Christians are to their God. The materialists worshipped man, pleasure, money and power

more wholeheartedly than many Christians have worshipped the God of Truth. It was sardine, Sunday-morning-only Christianity that prepared the way for Karl Marx and his false doctrines.

Too many Christians confused charity with donations, prayer with pious day - dreams, religion with comfort and security. Too many Christians forgot that the symbol of Christianity is the Cross, which means sacrifice and self-discipline.

This kind of Christianity made easy the way of the Communists in Europe. If this is the kind of Christianity we are to have in America, it will clear the way for Communism here too.

Wife's Eyes Helped Him Become Lawyer

Into the post of Attorney General of Rhode Island last fortnight stepped 43-year old William E. Powers, inaugurated for his second term. Conventionally enough, Powers ascribed his success to his wife, said she had helped him through law school by reading 3,000 cases to him. Not so conventional was her reason: Powers is blind-Pathfinder.

A 65-year old American today has a life expectancy of 14.1 more years, the Bureau of the Census reports. One out of four Americans owns U. S. Savings Bonds, which are particularly handy to have when working days are over.

It wasn't too hot for Mom
to bake a pie tonight!

Of course not!
She has a new electric range—

MR: What's her new electric range got to do with it?
MRS: Plenty! Her kitchen never gets hot—even when she does a lot of baking.

MR: Well...

MRS: And another thing... her kitchen doesn't get dirty, either. The fumes from that museum piece of ours have ruined the decorating we did this spring!

MR: But...

MRS: So if you think I'm going to spend the rest of my life in the hot stove league... well, you've got another think coming!

MR: Look, dear... if you really want a new electric range that badly, I think we can swing it. Just one thing, though...

MRS: Yes?

MR: I want blueberry pie for dessert the first night it's installed!

Keep your kitchen 10 degrees cooler
with a New Electric Range

Recent impartial baking tests (made by independent engineers of the R. W. Hunt Company) prove that modern electric ranges keep your kitchen an average of 10 degrees cooler than the most modern flame-type ranges.

NEW SHARE-THE-COST
INSTALLATION PLAN
saves you important money.
OWN AN ELECTRIC RANGE
for as low as \$2.16 a week
—installed!
